### **Kodiak Gas Services Announces Upsizing and Pricing of \$1,000,000,000 Senior Unsecured Notes Offering**

THE WOODLANDS, Texas, March 11, 2026 — Kodiak Gas Services, Inc. (NYSE: KGS) (“Kodiak” or the “Company”) today announced that its subsidiary, Kodiak Gas Services, LLC (the “Issuer”), priced its previously announced private offering (the “Offering”) of \$1.0 billion in aggregate principal amount of 5.875% senior unsecured notes due 2031 (the “Notes”). The Notes will have a maturity date of April 1, 2031. The Offering is expected to close on March 20, 2026, subject to customary closing conditions. The Notes will be issued at par and will be guaranteed on a senior unsecured basis by the Company, its existing subsidiaries and certain of its future U.S. subsidiaries that guarantee the Issuer’s revolving asset-based loan credit facility (the “ABL Facility”).

The Company intends to use net proceeds from the Offering to redeem all of the Issuer’s outstanding 7.25% senior notes due 2029 (the “2029 Notes”) at a redemption price equal to 103.625% of the \$750 million aggregate principal amount, plus accrued and unpaid interest, if any, and to use remaining net proceeds from the Offering to reduce borrowings under our ABL Facility. The Issuer expects to use amounts available under the ABL Facility to fund the acquisition of 100% of the issued and outstanding membership interests of Distributed Power Solutions, LLC. This press release does not constitute a notice of redemption of the 2029 Notes.

The Notes will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or under any state or other securities laws and may not be offered or sold within the United States, or to or for the account or benefit of any U.S. person, absent registration or an applicable exemption from registration requirements. The Notes are being offered only to persons who are either reasonably believed to be “qualified institutional buyers” under Rule 144A or who are non-“U.S. persons” under Regulation S as defined under applicable securities laws.

This press release does not constitute an offer to sell, a solicitation to buy or an offer to purchase or sell any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. This press release is being issued pursuant to and in accordance with Rule 135c under the Securities Act.
