Explanation of Responses:

1. The reported securities are restricted stock units that vest and settle in shares of common stock in three equal installments beginning March 8, 2027.
2. Represents an award of performance based restricted stock units the payout of which was subject to the achievement of performance metrics related to discretionary cash flow, consolidated net leverage ratio, absolute total shareholder return and an ESG scorecard over the period of June 28, 2023 to December 31, 2025. The Personnel and Compensation Committee certified the shares with a vest date of March 8, 2026. The restricted stock units converted into shares of common stock on a one-for-one basis.
3. Issuer withheld shares to satisfy the tax withholding obligations associated with the vesting of restricted shares.
4. Excludes 47,455 shares of performance based restricted stock units that were initially voluntarily reported, but unvested as of the Form 3A filed 1/5/2026; the amount of shares beneficially owned (56,665) as of this transaction date reflects the performance based restricted stock units actually earned and vested.
